Indonesian Dental Association (PB PDGI)

MESSAGE FROM

CHAIRMAN OF THE 48TH ASIA PACIFIC DENTAL CONGRESS

It is my great honor and pleasure to welcome you to the 48th Asia Pacific Dental Congress (APDC 2027), which will be held from 27–29 May 2027 at the Jakarta International Convention Center (JICC), Jakarta, Indonesia.

Under the theme, “Advancing Excellence in Dentistry Through Innovation and Collaboration,” APDC 2027 aims to bring together dental professionals, researchers, academics, industry leaders, and policymakers from across the Asia-Pacific region and beyond. This congress will serve as a dynamic platform for knowledge exchange, professional development, and meaningful collaboration that will help shape the future of oral healthcare.

As one of the region’s most prestigious dental gatherings, APDC 2027 will showcase the latest scientific advancements, emerging technologies, and innovative solutions in dentistry. At the same time, it will foster connections among professionals who share a common commitment to excellence in patient care and the advancement of oral health.

We are proud to host this distinguished congress in Jakarta, Indonesia’s vibrant capital city and a dynamic center for professional, scientific, and international engagement. We look forward to welcoming delegates from around the world to experience a world-class scientific program, meaningful professional exchange, and the warm hospitality of Indonesia.

On behalf of the Organizing Committee, I sincerely invite you to join us in Jakarta for APDC 2027. Together, let us inspire innovation, strengthen collaboration, and advance the future of dentistry across the Asia-Pacific region.

Jakarta, 2026

Dr. drg. Himawan Halim,
DMD, MS, Sp.Ort, FICD, FADI, MDTFED

Chairman of the 48th Asia Pacific Dental Congress

MESSAGE FROM

PRESIDENT OF THE EXECUTIVE BOARD OF THE INDONESIAN DENTAL ASSOCIATION (PDGI)

PB PDGI is honoured to host the 48th Asia Pacific Dental Congress (APDC 2027) in Jakarta, Indonesia, bringing together the region's dental community at a pivotal moment of transformation in oral healthcare.

Under the theme "Advancing Excellence in Dentistry Through Innovation and Collaboration," APDC 2027 reflects our collective commitment to elevating standards of care through technological advancement, knowledge exchange, and stronger regional partnerships.

As one of the largest and most dynamic markets in the Asia-Pacific region, Indonesia presents significant opportunities for the advancement of dental services, education, research, and innovation. Through APDC 2027, PB PDGI aims to position Indonesia not only as a host, but also as an active contributor to the future development of dentistry in the region.

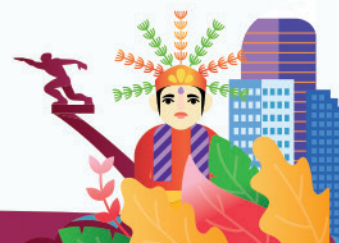

This congress will provide a platform to connect global expertise with regional needs, fostering meaningful collaboration among dental professionals, academia, industry leaders, and policymakers.

PB PDGI warmly welcomes all stakeholders to Jakarta and invites you to be part of this important journey as we collectively shape a more advanced, inclusive, and sustainable future for oral healthcare across the Asia-Pacific region.

Jakarta, 2026

drg. Usman Sumantri, M.Sc.

**President of the Executive Board
of the Indonesian Dental Association (PDGI)**

ABOUT THE THEME

Advancing Excellence in Dentistry Through Innovation and Collaboration

is highlights the importance of technological advancement and partnerships in shaping the future of oral healthcare. The congress will bring together dental professionals and key stakeholders to share knowledge, drive innovation, and improve oral health outcomes across the Asia-Pacific region.

The theme of APDC 2027, ***“Advancing Excellence in Dentistry Through Innovation and Collaboration,”*** reflects the evolving landscape of oral healthcare in an era defined by rapid technological progress and increasing interconnectedness.

Innovation is reshaping every aspect of dentistry from digital diagnostics and treatment planning to advanced materials and minimally invasive procedures. These advancements are not only enhancing clinical outcomes, but also redefining patient experience and expectations. APDC 2027 places strong emphasis on how emerging technologies, including digital dentistry and data-driven approaches, can elevate the quality, efficiency, and accessibility of dental care across the region.

At the same time, collaboration has become a critical enabler of progress. Addressing the complex challenges in oral healthcare ranging from access and

affordability to education and standardization requires closer cooperation among practitioners, academia, industry leaders, and policymakers. Through stronger partnerships and knowledge exchange, the dental community can accelerate innovation and ensure its benefits are more widely shared.

This theme underscores the importance of integrating innovation with collaboration to drive sustainable growth in the dental sector. It highlights a forward-looking vision where technology and partnerships work hand in hand to advance clinical excellence, strengthen healthcare systems, and improve oral health outcomes for communities across Asia-Pacific region.

APDC 2027 will serve as a dynamic platform where these ideas converge bringing together global expertise, regional insights, and cross-sector collaboration to shape the future of dentistry.
